To our friends at Goldie Mohr Ltd.,

On behalf of the Caceres and Kakekagumick families, we would like to extend our thanks for your generous contributions to our three Habitat for Humanity National Capital Region (NCR) builds in Orléans this year. Please accept the enclosed certificate of appreciation as a token of our gratitude.

Habitat for Humanity NCR's mission is to mobilize volunteers and community partners to help break the cycle of poverty. By working together, we are able to provide affordable housing with no-interest financing and make homeownership a reality for hard-working, low-income families in our region.
