

Providing MOHR Value Since 1960

Newsletter

October 27, 2017

Tuesday is Halloween! Have a fun and safe time celebrating!

Tips for kids: Be seen. Stay off of roads. Go to well-lit houses. Wear reflective gear.

Tips for Adults: **Watch out for kids after school and throughout the evening trick-or-treating.**

Please lock- up everything at job sites to protect GML from Halloween pranks and to keep the community safe.

MOHR SAFETY

Wet, windy & cold weather is almost here. Please be mindful of changes in the weather, dress in layers. It won't be too long until there is snow on the ground – make sure you have the proper clothing to stay warm and dry.

If you want to be a part of the Goldie Mohr Ltd Snow Team, please speak with Debbie, Stephen or Charles.

WSIB Safety Group – The back of this newsletter is a quiz, please complete it and return to Paul or Sharon by Tuesday October 31, 2017. This is part of our Continuous Improvement Plan.

Fuel Station – Our new island is functional. Please see Sharon if you have any questions about the Computrol system. There is a blue cabinet with spill kit and safety supplies as well as a plastic box for you to put paper work for the office in; as well as one for us to leave papers for drivers.

Tail Gate Locks - Please check them and verify they are properly secured.

MOHR FUN and EXERCISE

Do you want to play hockey?
Join the Goldie Mohr Ltd Hockey Team
We have booked ice time starting December 1, 2017 at 2 pm in Stittsville.
Please let us know if you are interested.
